How to Use the CopaFácil App to Follow a Tournament

1. Download the CopaFácil App COPA FÁCIL

- For Android: Go to Google Play Store and search for 'CopaFácil'.

- For iOS: Go to the App Store and search for 'Easy Tournament'.

- You can also access it via browser at https://copafacil.com

2. Open the App

Once installed, open the app from your mobile device or access it through the website.

3. Register or Log In

- Sign up using your email and password.

- Or log in with Google or Facebook.

- No financial information is required to get started.

4. Use the Link to Follow a Tournament

- Open this link on your mobile or browser: https://copafacil.com/-xy8t2

- If the app is installed, it will open directly to the tournament.

- Otherwise, it will prompt you to open in browser or download the app.

5. Follow the Tournament

- View real-time results.

- Check standings and top scorers.

- Enable notifications to stay updated.

- Access photos, videos, and stats if shared by the organizer.
